

PlanetMark
Certified Business

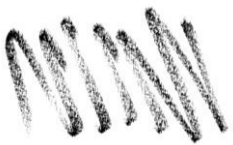

We are Planet Mark Certified

Year 1.

STEYN GROUP

This is to certify that Steyn Group has achieved the Planet Mark by reporting its carbon footprint and engaging its stakeholders.

Valid to: 31 August 2022

Measure

592.6 tCO₂e
Total carbon footprint.

19.5 tCO₂e
Total carbon footprint per employee.

£107,027
Total Social Value.

We are committed to reducing our carbon emissions yearly so that together we can all halt climate change.

Reporting Boundary: Clutha House, Stonebridge House, Micklegate, Holgate Road, Hyde Park Road, Blockyard, Clydesdale House, Tamarillo House, Standard Hill/Coach House, Thornville Court, Welton Road, Royal Park Road and Arnesby Road

Emission sources: Electricity, T&D losses, natural gas, business travel, waste, water, paper, homeworking (not included in total footprint)

Reporting Period: 01 Jun 2020 – 31 May 2021

Engage

30
FTE employees.
We engage our employees and wider stakeholders to unlock their talent and knowledge to drive year on year progress in sustainability.

Communicate

5
Sustainable Development Goals.
We recognise that transparent communication is essential for transformational change and we quantifiably contribute to 5 SDG's.

Empowering change for a brighter future.

The Planet Mark is a sustainability certification for every type of organisation, for products and real estate. Our certification recognises continuous improvement, encourages action and builds an empowered community of like-minded individuals who make a world of difference.
